

Samyog KC

Phutung, Kathmandu, 9840-186494, samyogkc2003@gmail.com

Passionate IT student pursuing a bachelor's in Information Management with a solid understanding of programming languages, including Python, Java, and C. Skilled in front-end web development with proficiency in JavaScript and React. I possess strong management knowledge and have demonstrated expertise in content and copywriting. Additionally, I am experienced in graphics and video editing using Adobe Creative Suite. I am eager to apply my diverse skill set and academic learning in a practical environment to contribute effectively to team projects and individual tasks.
